

Hartland School Climate Meeting

Wednesday 9/27/23 @ 2:30 pm

Members: Alissa Goguen, Jill Skaret, Ben Lovell, Jenna Michna, Mary Casey, , Amy Bourque

♥ **Goal 1:** Hartland School provides a positive and inclusive school climate that is welcoming to students, staff, parents, and the community.

Create opportunities for older students to work with and mentor younger students. Make pairing that can last long term by grade levels	Students will be paired with their same buddy from last year. This year's 5th grade will be with kindergarten and 4th grade will be with Pre K. Amy will complete the new pairings and add any new students.
Establish and plan school wide assemblies for the year	Student council will begin in October. We will introduce SOAR to new Heights with the student council to figure out a way to introduce it to the whole school through an assembly. Assembly will be planned for the end of October. Will start off as a whole school and then have buddy activity to create SOAR posters for the school.
Establish a Student Advisory monthly meeting where administration meets with students to build a positive and open relationship and hear their feedback and input regarding school. K-2	Alissa will start with grades 6-8 meetings. Alissa will meet with each grade level to explain the purpose of this group and have them fill out forms regarding topics that they would want to talk about. Will meet with students once a month on different topics. Schedule to be determined. First meeting in October.
